

## Covered in Roses

**Toad The Wet Sprocket**

Covered in roses  
No-one deserves it all  
Covered in roses  
What are they looking for  
Take me for what I am  
Not something more  
When this boy  
Becomes a man  
Then you will know  
Covered in roses  
And no-one deserves it all  
Covered in roses  
Always before a fall
