

## Enough

Toad The Wet Sprocket

Missing time  
We killed the night  
But I didn't want to go  
I didn't want to go  
Back in to that light

Chemicals  
Cloud around the hall  
Sting your pure eyes  
But it's sweeter than you know  
It's sweeter than you know  
Impossible

The day is short  
The task is great  
And I am idle

The day is short  
The task is great  
And I am idle

The mind is willing but the body resists  
The fight is over but the pain persists

Tell me when I've had enough  
Oh tell me when  
I've had enough  
I've had enough  
I've had enough

The day is short  
The task is great  
And I am idle
