

## I'll Bet On You

Toad The Wet Sprocket

Hey, yeah  
Ready for the big rain  
Hey, yeah  
Everything will change in an instant

Slowly the waters rise around you  
Quickly, so much washed away

We've all been hurt  
It's nothing new  
Just bet on me  
'Cause I'll bet on you

Hey, yeah  
Fire in the canyon  
Take what you can  
Barely time to get away

You showed me when all you have is ashes  
Somehow something still remains

We've all been hurt  
It's nothing new  
Just bet on me  
'Cause I'll bet on you  
It's no---one's fault  
I'll tell you true  
Just bet on me  
'Cause I'll bet on you
