

400 Bucks

Toadies

You said honey
I sent you 400 bucks
So you could buy some car
Well I loved you so much
I didn't get too far

For my 400 bucks
You were sweet that day
I guess that I should've known
That you'd never repay

400 bucks, 400 bucks
And you don't give a fuck
About my 400 bucks

A '57 sedan
And it's a mom and pop car
And now your old boyfriend's back
My only friends's at the bar

400 bucks, 400 bucks
And you don't give a fuck
About my 400 bucks

You got a new puppy dog
Threw your cat on the street
And now we're both fucked
Without my 400 bucks

400 bucks, 400 bucks
And you don't give a fuck
About my 400 bucks

"Remember when you said, Honey,
Someday that car is gonna look so good in front of our house."
BITCH!! I want my 400 dollars!
I want my 400 dollars and I want it now!
Give it to me!!
