

## Don't Go My Way

Toadies

Come on baby take it easy  
Stop following me around  
I know you don't believe me  
But you don't want to take the road I'm down  
There's no pretty way to find out  
And no promise you'll be OK  
Just give me your word now  
Baby say you won't go my way  
Don't go my way

You don't want to be lonely  
You don't want to see the things I've seen  
And if you learn one lesson only  
Baby listen stay away from me  
Don't go my way
