

I Am A Man Of Stone

Toadies

I saw you hanging on the art of some other guy
Like a drummer who's been banging steady beat in 4/4 time
Now you're flicking out your cigarette
Batting eyes and pouting lips
Giving him the loving I need
But I can tell those eyes
Have an emptiness behind them
You don't look so happy to me
You're so lost
You're so alone
And I'm standing here
I am a man of stone

You said baby don't change and I did not change
You said give me all your lovin' and I did every day
Now you're tattooed on my skin
And my chest is caving in
From the weight of the pain you bring
Now you got me branded
Broken but still standing
Watching you wreck everything
You're so lost
You're so cold
And I'm standing here
I am a man of stone

My feet are stuck to the ground
My love has bound me here
I am a statue now
I gave you my last tear
Someday you'll wake up
And you'll think of me and know
I am a man of stone

You're so lost
You're so alone
And I'm standing here
I am a man of stone
