

Paper Dress

Toadies

So what we did
would redefine
the perfect function
to realize
some kind of
potential...
And underneath
the paper dress
she knows we're different
shoulders and a neck
shrug away this distance

Now in my home
and in my car
I can't help but
hold my thoughts
eventually
drink back to this day

Wherever we go
Wherever we go
This ghost will follow

Wherever we go
Wherever we go
This ghost will follow

Wherever we go
Wherever we go
This ghost...
AAYYEAHH!!!
