

Song I Hate

Toadies

I'm giving up on you
How could I ever call you mine
You're too pretty, too simple, too easy
You're just a waste of time, yeah

And I won't miss you when you're gone
You never move me anyway
I wanna wish you all the best and send you off
I hope somebody finds you entertaining

You're the song I hate
But I can't let go
You're the song I hate
But I can't let go

You know it gets so hard, so hard to keep moving on
Through all your petty little changes
Sometimes I wish I could just close my eyes
Wish you away

You're the song I You're the song I hate

I tried so hard to change you to make you
Something I could enjoy
But you insist on just acting the plaything
You're just a toy, just a toy

You're the song I You're the song that I hate

Yeah
The song that I hate
Uh!
You're the song I hate
