

Sunshine

Toadies

Sunshine, stay a while with me
I want to feel your touch
Sometimes it's too much, too much
To watch you shaking
Spinning off again
I can't take it
It's heaven, heaven
My hands may be steady
But my heart is in my throat
I would give up anything to hold you

Sunshine, make me a happy man
Say you'll only be mine
I tried to get you out of my mind, my mind
But I can taste it
Your lips pressed to mine
And your embrace
It would be so fine, so fine
My hands may be steady
But my heart is in my throat
I would give up anything to hold you

Sunshine, stay a while with me
And I will be your man
No one can make you feel like I know I can
It makes me crazy
You don't know my name
But your eyes tell me
Everything, everything
My hands may be steady
But my heart is in my throat
I would give up anything to hold you
