Toadies

Maybe I didn't love you
As often as I could have
And maybe I didn't treat you
As good as I should have

If I made you feel low, second best
Girl I'm sorry, I was blind
You were always on my mind
You were always on my mind

Maybe I didn't hold you
All those lonely, lonely times
I guess I never told you
I'm so happy that you're mine

Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind

Tell me, tell me that your sweet love hasn't died
And give me, give me one more chance to keep you satisfied
I'll keep you satisfied

Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind
You were always on my mind
You were always on my mind
