

American Ride

Toby Keith

Winter gettin' colder, summer gettin' warmer
Tidal wave comin' cross the Mexican border
Why buy a gallon, it's cheaper by the barrel
Just don't get busted singin' Christmas carols

That's us, that's right
Gotta love this American ride
Both ends of the ozone burnin'
Funny how the world keeps turning
Look ma, no hands
I love, this American ride
Gotta love this American ride

Momma gets her rocks off watchin' Desperate Housewives
Daddy works his ass off payin' for the good life
Kids on the YouTube learnin' how to be cool
Livin' in a cruel world, it pays to be a mean girl

That's us, that's right
Gotta love this American ride
Both ends of the ozone burnin'
Funny how the world keeps turning
Look ma, no hands
I love, this American ride
Gotta love this American ride

Poor little infa-Miss America's down
She gained five pounds and lost her crown
Quick fix plastic surgical antidote
Got herself a record deal, can't even sing a note

Plasma gettin' bigger, Jesus gettin' smaller
Spill a cup of coffee make a million dollars
Customs got a thug with an aerosol can
If the shoe don't fit, the fits gonna hit the shan

That's us
That's right
Gotta love this American ride
Both ends of the ozone burnin'
Funny how the world keeps turning
Hot dog, hot damn
I love, this American ride
Gotta love this American ride, oh yeah
