Toby Keith

American girls and American guys  
we'll always stand up and salute  
we'll always recognize  
when we see Old Glory flying  
there's a lot of men dead  
so we can sleep in peace at night  
when we lay down our head

My daddy served in the army  
he lost his right eye  
but he flew a flag out in our yard  
till the day that he died  
he wanted my mother my brother my sister and me  
to grow up and live happy in the land of the free

Now this nation that I love has fallen under attack  
a mighty sucker punch came flying in from somewhere in the back  
soon as we could see clearly through our big black eye  
man we lit up your world like the fourth of july

Hey, Uncle Sam, put your name at the top of his list  
and the Statue of Liberty started shaking her fist  
and the eagle will fly and it's gonna be hell  
when you hear mother freedom starts ringin' her bell  
and it'll feel like the whole wide world is rainin' down on you  
ah, brought to you courtesy of the red white and blue

Justice will be served and the battle will rage  
this big dog will fight when you rattle his cage  
cause we'll put a boot in your ass it's the American way

Hey, uncle Sam, put your name at the top of his list  
and the Statue of Liberty started shaking her fist  
and the eagle will fly and it's gonna be hell  
when you hear mother freedom starts ringin' her bell  
and it'll feel like the whole wide world is rainin' down on you  
ah, brought to you courtesy of the red white and blue -  
of the red white and blue -  
of my red white and blue
