

# Cryin' for Me (Wayman's Song)

Toby Keith

Got the news on Friday morning  
But a tear I couldn't find  
You showed me how I am supposed to live  
Now you showed me how to die  
I was lost til Sunday morning  
I woke up to face my fear  
While writing you this good bye song I found a tear

I'm going to miss that smile  
I'm going to miss you my friend  
Even though it hurts the way it ended up  
Id do it all again

So play it sweet in heaven  
Cause that's right where you want to be  
I'm not cryin' cause I feel so sorry for you  
I am cryin' for me

I got up and dialed your number  
Your voice came on the line  
That old familiar message  
I have heard a thousand times  
It just said, sorry that I missed you  
Leave a message and god bless  
I know that you think I am crazy  
But I just had to hear your voice I guess

I'm going to miss that smile  
I'm going to miss you my friend  
Even though it hurts the way it ended up  
Id do it all again

So play it sweet in heaven  
Cause that's right where you want to be  
I'm not cryin' cause I feel so sorry for you  
I am cryin' for me

Oh

So play your upsidedown, left handed  
Backward bass guitar  
I'll see you on the other side superstar

I'm going to miss that smile  
I'm going to miss you my friend  
Even though it hurts the way it ended up  
I'd do it all again

So play it sweet in heaven  
Cause that's right where you want to be  
I'm not cryin' cause I feel so sorry for you  
I am cryin' for me

I'm still cryin'  
I'm cryin' for me  
Oh  
I'm still cryin'
