How Do You Like Me Now?!

Toby Keith

I was always the crazy one I broke into the stadium And I wrote your number on the 50 yard line You were always the perfect one And the valadictorian so Under your number I wrote "call for a good time"

I only wanted to catch your attention But you overlooked me somehow Besides you had too many boyfriends to mention And I played my guitar too loud.

How do you like me now? How do you like me now, Now that I'm on my way? Do you still think I'm crazy Standin here today? I couldnt make you love me But I always dreamed about living in your radio How do you like me now?

When I took off to Tennessee I heard that you made fun of me Never imagined I'd make it this far Then you married into money girl Aint it a cruel and funny world? He took your dreams and tore them apart.

He never comes home And youre always alone And your kids hear you cryin down the hall Alarm clock starts ringin Who could that be singin Its me baby, with your wake up call!

How do you like me now? How do you like me now, Now that I'm on my way? Do you still think I'm crazy Standin here today? I couldnt make you love me But I always dreamed about living in your radio How do you like me now?

Tell me baby... I will preach on...
