

# I Wanna Talk About Me

Toby Keith

Yeah yeah  
That's right  
We talk about your work how your boss is a jerk  
We talk about your church and your head when it hurts  
We talk about the troubles you've been having with your brother  
About your daddy and your mother and your crazy ex-lover  
We talk about your friends and the places that you've been  
We talk about your skin and the dimples on your chin  
The polish on your toes and the run in your hose  
And God knows we're gonna talk about your clothes  
You know talking about you makes me smile  
But every once in awhile

I want to talk about me  
Want to talk about I  
Want to talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I see  
I like talking about you, you, you, you usually, but occasionally  
I want to talk about me  
I want to talk about me

We talk about your dreams and we talk about your schemes  
Your high school team and your moisturizer creme  
We talk about your nanna up in Muncie, Indiana  
We talk about your grandma down in Alabama  
We talk about your guys of every shape and size  
The ones that you despise and the ones you idolize  
We talk about your heart, about your brains and your smarts  
And your medical charts and when you start  
You know talking about you makes me grin  
But every now and then

I want to talk about me  
Want to talk about I  
Want to talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I see  
I like talking about you, you, you, you usually, but occasionally  
I want to talk about me  
I want to talk about me

You you you you you you you you you you you  
I want to talk about me

I want to talk about me  
Want to talk about I  
Want to talk about number one  
Oh my me my  
What I think, what I like, what I know, what I want, what I see  
I like talking about you, you, you, you usually, but occasionally  
I want to talk about me  
I want to talk about me
