

## Runnin' Block

Toby Keith

My buddy said his girlfriend is as pretty as can be  
He said help a brother out tonight and come double date with me  
She's gotta a baby sister and they're headed into town  
They're lookin' for a good time  
They're fun to be around

I said what do she look like?  
He scratched his head and stated  
"She was a home comin' football queen before she graduated.  
We'll wine and dine and do 'em fine  
And really double date 'em  
Then take 'em back to the motel six and  
Try to separate 'em.

They showed up in a pick up  
They were right on time  
His was kinda hefty  
But not half as big as mine

I'm runnin' block  
Turn the lights down low  
Runnin' block  
Don't want know one to know  
That I tried to drink her skinny but she's still about two hund  
red and fifteen  
Sometimes you got to bow up  
And take one for the team

She cleaned her plate at dinner  
Then she ate what's left of mine  
Then she wolfed down a big cheesecake as I drank all the wine  
She strolled out to the patio for an after dinner cig  
I said "Bro you done 'er this time and gonna owe me big

You know why?  
'Cause my brother's havin' a party  
Thought you outta know  
He's got coeds swimmin' naked
