

## Under the Fall

Toby Keith

Everybody knows how much he meant to you, baby  
But you still insist that your heart's alright  
I can see that he's about to get the best of you, maybe  
You're too ashamed to cry and it's gettin' hard to hide

It's gonna get bad, before it gets better  
You can cry and cry, but he still won't call  
It's gonna get sad, maybe even sadder  
But you're not over the heartache  
You're still under the fall

When it comes to love, you've always had your way  
And you never had your heart broke, or so you say  
No you can't fool me, I know he's on your mind  
There's things in love that just happen sometime

It's gonna get bad, before it gets better  
You can cry and cry, but he still won't call  
It's gonna get sad, maybe even sadder  
But you're not over the heartache  
You're still under the fall

It's gonna get bad, before it gets better  
You can cry and cry, but he still won't call  
It's gonna get sad, maybe even sadder  
But you're not over the heartache  
You're still under the fall
