

# We Were in Love

Toby Keith

If I could invent a time machine, then maybe  
We'd both be seventeen

Crusing in my first car, neckin like movie stars on a  
Friday night  
Do you remember those Friday nights?

We were a rock, ready to roll, there was a fire down in our sou  
ls  
And all the whole world had to stand still, then turn around us  
'Cause that was the deal  
And oh how those nights went flowing like wine,  
When I was all yours and you were all mine  
And we were in love, yeah we were in love

I can still see you when I sleep, there is a picture I still ke  
ep  
You with your hair in the wind and me with that crazy grin  
Under summer skies when dreams where too young to die

We were a rock, ready to roll, there was a fire down in our sou  
ls  
And all the whole world had to stand still, then turn around us  
'Cause that was the deal  
And oh how those nights went flowing like wine,  
When I was all yours and you were all mine  
And we were in love, yeah we were in love

Oh I know, I know it sounds crazy but baby your still the one  
So let's find a way to bring back the days that our hearts were  
forever young

We were a rock, ready to roll, there was a fire down in our sou  
ls  
And all the whole world had to stand still, then turn around us  
'Cause that was the deal  
And oh how those nights went flowing like wine,  
When I was all yours and you were all mine  
And we were in love, yeah we were in love, yeah we were in love
