You Caught Me At A Bad Time

I don't need this conversation Cause I don't need to see you cry You need one more confirmation Like I need one more reason why.

I know this might no be the answer Oh that you came here to get We both know that girl is somethin' That I'm still not over yet.

I can't go on using you Girl in feels like I'm losin' you A love like yours is hard to find But you caught me at a bad time.

I knew that you'd be waiting The night I made that desperate call You weren't everything I needed Just the softest place to fall.

So I'm not gonna lie to you Just keep stringin' you along Thought by now it'd be better But I guess I'm not that strong.

I can't go on using you Oh it feels like I'm losin' you Love like yours is hard to find But you caught me at a bad time.

A love like yours is hard to find You Caught Me At A Bad Time. **Toby Keith**
