

Holding A Heart

Toby Lightman

Breathe in, hold it hold it
Go on, begin
To let go, cause there's no
Reason

I'm turning myself
Into somebody else
Calm down, calm down, calm down

I'm holding a heart here in my hand
Hey, hey, hey
My own work of art here where I stand
Hey, hey, hey

Give in, its so hard to start
Live in my skin
The bruises are useless
Against it

I'll try all I can
To find a soft place to land
Calm down, calm down, calm down

I'm holding a heart here in my hand
Hey, hey, hey
My own work of art here where I stand
Hey, hey, hey

Stand up straight, hey
Stand up straight, hey
Stand up straight, hey, hey
Stand up straight, hey, hey
Breathe in, hold it

I'm holding a heart here in my hand
Hey, hey, hey
My own work of art here where I stand
Hey, hey, hey
Hey, hey, hey, hey
