I'am letting go I'am letting go I'am letting go Why's it always circumstantial? Never any real potential Obvious and so sequential It always ends the same Holding out with all that's in me Is it worth all this pretending? A story with an ugly ending it's never worth the pain So right here and now I am all in Cause I'm letting go of everything I am And I'm holding on to everything You are I'm letting go of everything I once was I'm all in I'm fallin' into Your arms again I'am letting go I'am letting go Can we just wait out the weather? I could stay right here forever Got to get myself together Real life is on the way Call it my foregone conclusion I'll always welcome Your intrusion You're the master of my choosing I'm all Yours Cause I'm letting go of everything I am And I'm holding on to everything You are I'm letting go of everything I once was I'm all in I'm all in I'm fallin' into Your arms again This time I'm so for real It's time I sealed the deal Shut down my lame appeals I'm letting go I'm letting go I'll throw caution to the sky

I'm letting go
I'm letting go

Cause I'm letting go of everything I am
And I'm holding on to everything You are
I'm letting go of everything I once was
I'm all in
I'm all in

Kiss all my fears goodbye This time its do or die

Cause I'm letting go of everything I am And I'm holding on to everything You are I'm letting go of everything I once was

I'm all in
I'm fallin' into Your arms again

I'am letting go
I'am letting go

I'am letting go
