Tru D-O-G what you got boy

Tru D-O-G make it hot...

Like this? Tru D-O-G that's who I am,  
With the sun in my eyes and the mic in my hand,  
I'm gonna rock this party like an old school jam,  
Tru D-O-G, that's what I got Pops

Nice, Tru D-O-G what you got for me,  
Tru D-O-G what you got boy,  
Tru D-O-G make it hot for we,  
Tru D-O-G make it hot boy,

I got to get this off my chest I like recess,  
And I like it the best when I'm ballin',  
Shot-calling, bouncing off the walls,

What you know about shot-calling man,  
Cause everybody gonna move when I rock the mic,

Yo hold up dad,  
Don't you have 11 otha joints on this record?

Yeah.

What's the name of this track anyway,

Tru Dog...

Cause everybody gonna move when I rock the mic,  
I keep it lyrically smooth like I'm riding a bike,  
And everyonce in awhile just to see if they feel me,  
I'm gonna pop a wheelie!  
Uh  
I'm gonna pop a wheelie!

Man what you talkin' about?  
You can't pop no wheelie.

Yes I can!  
Ask momma.

Hold on, you said something about old school,  
Whatcha know about old school.

Check this,  
Shake it, don't break it,  
It took your momma nine months to make it.

This tracks getting out of control.

But Dad!  
That's not a very good hype man.

Hey, I heard that,  
Busted.
