

Jesus Freak

TobyMac

Separated, I cut myself clean
From a past that comes back in my darkest of dreams
Been apprehended by a spiritual force
And a grace that replaced all the me Ive divorced

I saw a man with tat on his big fat belly
It wiggled around like marmalade jelly
It took me a while to catch what it said
Cause I had to match the rhythm
Of his belly with my head
Jesus saves is what it raved in a typical tattoo green
He stood on a box in the middle of the city
And claimed he had a dream

What will people think
When they hear that Im a Jesus freak
What will people do when they find that its true
I dont really care if they label me a Jesus freak
There aint no disguising the truth

Kamikaze, my death is gain
Ive been marked by my maker
A peculiar display
The high and lofty, they see me as weak
Cause I wont live and die for the power they seek

There was a man from the desert with naps in his head
The sand that he walked was also his bed
The words that he spoke made the people assume
There wasnt too much left in the upper room
With skins on his back and hair on his face
They thought he was strange by the locusts he ate
The pharisees tripped when they heard him speak
Until the king took the head of this Jesus freak

People say Im strange, does it make me a stranger
That my best friend was born in a manger
People say Im strange, does it make me a stranger
That my best friend was born in a manger

What will people think
[what will people think]
What will people do
[what will people do]
I dont really care
[what else can I say]
There aint no disguising the truth
[Jesus is the way]
