

Me Without You

TobyMac

Raindrops rolling off my brim
Streetlights got the pavement glistenin'
Touchdown, I've fallen into Your arms
Right where I belong
Your everlasting arms
And where would I be Without you
I'd be packing my bags when I need to stay
I'd be chasing every breeze that blows my way
I'd be building my kingdom just to watch it fade away
It's true
That's me without you (X3)
Don't know where I'd be without you
Flashback
Stepping through the scene
There's You and there's a very different Me
Touchdown, You had me at believe
You had me at believe, You did
And where would I be without You
I'd be packing my bag when I need to stay
I'd be chasing every breeze that blows my way
I'd be building my kingdom just to watch it fade away
It's true
That's me without you (X3)
Don't know where I'd be without you
Where would I be?
You rescued me
You are mine, I am Yours
You rescued me
And I am Yours forever
You saved me, remade me,
Where would I be?
I'd be packing my bags when I need to stay
I'd be chasing every breeze that blows my way
I'd be building my kingdom just to watch it fade away
It's true
I'd be packing my bags when I need to stay
I'd be chasing every breeze that blows my way
I'd be building my kingdom just to watch it fade away
It's true
That's me without you
That's me without you
That's me without you
Don't know where I'd be without you
That's me without you
Don't know where I'd be without you
