

This is my skizzle.  
For Izzle.  
Uh-uh  
Do what?  
What-what? What?  
Now when I say, "Where my freaks?" You can say, "Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)  
When I say, "Where my freaks?" You can say, "Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)  
Now when I say, "Where my freaks?" You can say, "Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)  
When I say, "Where my freaks?" You can say, "Woo-woo."  
So where my freaks?  
(Woo-woo)  
Where my freaks?  
(Woo-woo)  
Man, that jive was off the chain.
