Today Is The Day

Don't say this don't say that if I'm not me I'm not free born a
lone die
alone live you must live pushing and shoving and fighting and f
eeling like
a big nothin holdin my hands and prayin and dyin all for nothin
I'm wishin
for the world tryin to survive try to stay alive wishin for tha
world
you're killin me you're testin me and I don't know I don't know
they
stepped on me when I was down I had to get up just to get down
god fearin
bitch supernova school of life
