

Axis Of Eden

Today Is The Day

you preach the end the end is near my friend we'll meet again d
on't be afraid you'll fly away fly across the sky you'll fly so
high into the sky god owns you controls you ignores you god ha
tes you got it god kills love hate love death shoot until your
weapon is dry see at night you should be fine fire at will it s
hould ignite wrapped in nails no one in sight rip that rib stra
ight from the gut cuts that burn you should be dust dead can't
tell make them all dead burned alive save his whole head I am t
he father designed to destroy exis of Eden take my hand safe tr
