

Bugs / Death March

Today Is The Day

Bugs,
You got them bugs,
On you,
I see them bugs,
Mike Stipe,
Now he has bugs,
Don't want,
No goddamn bugs,
Kill.

Death March. (2x)

Whore,
You painted whore,
No love,
Ain't got no more,
So sad to see you go,
You whore,
I loved you so,
I tried.

Mommy,
Daddy.

Woah!
Yeah!
Fire!
Fire!

Woah!
Yeah!
Fire!
HIGHER!!

I stand alone, I stand alone,
You don't know what I face. (2x)

NO LOVE, NO HOPE. (2x)

Inside you...
Inside me... (2x)

The sky is black,
The fire is coming down. (2x)

Inside you...
Inside me... (2x)

The sky is black,
The fire is coming down. (2x)

Someday you'll get it...
