

Free At Last

Today Is The Day

you're my sunshine in the night time you're my daytime in the n
ight time and I know what's right and I
know what's wrong it feels all so right then it all goes so wr
ong I know you'll say when you answer
you're my sunshine in the night time you're my daylight in the
night time and I know what's wrong and
I know what's right it all feels so wrong it all goes so right
somehow we have reached the end I can't
control when this will end you ran so fast so fast you could n
ot hide you are my sunshine now the end
I'm free at last you can't control me you are the past now I'm
at peace left all alone I feel at home
all alone you ran so fast you could not hide you are my sunshi
