you're my sunshine in the night time you're my daytime in the n ight time and I know what's right and I  $\,$ 

know what's wrong it feels all so right then it all goes so wrong I know you'll say when you answer

you're my sunshine in the night time you're my daylight in the night time and I know what's wrong and

I know what's right it all feels so wrong it all goes so right somehow we have reached the end I can't

control when this will end you ran so fast so fast you could n ot hide you are my sunshine now the end

I'm free at last you can't control me you are the past now I'm at peace left all alone I feel at home

all alone you ran so fast you could not hide you are my sunshi ne
