Just like yellow plaid goose is cooked where have I been where have I gone

gooses cooked all in spades what is it about me that makes you so mad is it

the way that I look or the way that I smile what is it about yo ${\bf u}$ that makes

me so mad is it the way that you look or the way that you smile what is it

about them that makes me so mad is it the way that they look or the way

that they smile I hit you you hit me back
