```
I can't cope..
Realize! (4x)
I can't understand,
Why my life is wrong,
I just don't fit in,
I do not belong.
I let myself down.
Real! (2x)
I can't understand,
why my life is wrong,
I just don't fit in,
I do not belong.
I let myself down.
Everything is against you...
Everyone is against you...
Realize! (4x)
I can't understand,
Why my life is wrong,
I just don't fit in,
I do not belong.
This way out...
Realization is the key to the universe.
