

The Worst Thing That Ever Happened To Me

Today Is The Day

let's dance let's dance and sing songs all night long drink and
drink until dawn you don't care
there's the door I don't care back for more it's late I need I
need to f**k you know you need you need
to f**k load my gun and it goes off I can't control hopeless t
houghts try to live in too deep come to
me fist for fist fight to live in too deep you can't see faste
r and faster stronger and stronger and
higher listen and lister this I desire one fist of death one f
ist of fire my blood your blood drink
from the fire blacken and stain your life into nothing you can
't complain you drink from the fire
blacken and stain your life ino nothing crying in shame you fe
el into the fire burn I'm burning
