

Total Resistance

Today Is The Day

riot riot in the streets fighting killing in the streets get out
t break out push back we unite we will
win gather all your weapons anything you can find grab all the
explosives C4 is fine rpg enemy m16
sees at night fire you can't take what you want you can't take
my land from me you can't have what you
want you just killed my family fight till death don't give up
this is what you wanted in your head you
can change change is what you wanted still your dead don't fee
l strange this is what you wanted riots
riots in the streets fighting killing in the streets get out b
reak out push back we unite we will win
this shit
