## **Today Is The Day**

This is how I load my gun .308 makes lots of fun. You can't tou ch what I have son. Higher than the highest star. Up above the world so high. Like a rocket in the sky. If it hollers let it q o. We should kill you god says so. Never ending can't stop spen ding cash. Stop pretending it's not ending fast. Pain is just t he thing you need. I know whats good for you. The truths not tr ue I said its true. Shot right between the open eyes. Shot in t he face. Working with no pay death is on the rise. I don't wann a work. I don't wanna give. I just need to f\*\*k. Faster and fas ter and over and over and faster and faster. How longs it take for you to get the deal? My heart it brakes its you that steals the deal. Victims on the left. Quitters on the right. Losers a ll around. Driven by belief. Shoot you in a tree. Your brains o n the ground. Hotter than the sun. Blacker than the night. Lion s all around. Captive captive captive captive captive. Mankind races tow ards annihilation rising above the unholy sky . When the smoke clears no one will be standing
