

Jesus, The Hope Of Glory

Todd Agnew

Jesus, no one higher
No one greater, no name sweeter
Jesus, no one higher
No one greater, no name sweeter

Jesus, no one higher
No one greater, no name sweeter
Than Jesus, the hope of glory for my soul

Jesus, no one higher
No one greater, no name sweeter
Jesus, no one higher
No one greater, no name sweeter

Jesus, no one higher
No one greater, no name sweeter
Than Jesus, the hope of glory for my soul

I called out with a troubled heart
And justice heard my cry
I called out with a troubled heart
And justice heard my cry

I called out with a troubled heart
And justice heard my cry
Oh Jesus, He heard the groaning of my soul

Jesus, no one higher
No one greater, no name sweeter
Jesus, no one higher
No one greater, no name sweeter

Jesus, no one higher
No one greater, no name sweeter
Than Jesus, the hope of glory for my soul

I owed a debt that I could not pay
And mercy set me free
I owed a debt that I could never pay
And mercy set me free

You see I owed a debt that I could not pay
And mercy set me free
Oh Jesus suffered that I might be made whole

Jesus, no one higher
No one greater, no name sweeter
Jesus, no one higher
No one greater, no name sweeter

Jesus, no one higher
No one greater, no name sweeter
Than Jesus, the hope of glory for my soul

Jesus, no one higher
No one greater, no name sweeter
Oh Jesus, no one higher

No one greater, there's no name sweeter

Precious as Jesus, no one higher

No one greater, no name sweeter

Than Jesus, the hope of glory for my soul

Oh Jesus, the hope of glory for my soul
