

Unchanging One

Todd Agnew

I looked for love in every single situation
For something, someone
That would last a lifetime, a love that never dies
And I find

You know when I wake, when I rise, when I pray, when I curse Yo
u
And You love me the same
You know when I stumble and fall, and You're there through it a
ll
The only unchanging one

I looked for faith on the edge of my roof
No fear, daddy's here
Still I struggle to trust You with the rest of my life
When I could just fly

You know when I wake, when I rise, when I pray, when I curse Yo
u
And You love me the same
You know when I stumble and fall, and You're there through it a
ll
The only unchanging one
I looked for God.

You know when I wake, when I rise, when I pray, when I curse Yo
u
And You love me the same
You know when I stumble and fall, and You're there through it a
ll
The only unchanging one

You know my inmost being
You know my deepest scars
You know my darkest secrets
You know and You love and You love
