

Don't Tie My Hands

Todd Rundgren

Long-lost, gone
I can tell by the way you carry on
And it's now I see
After all of this time what it's done to me
Can't you see? I can't go free
If you make me watch you cry one more time

Once more I walk away, once more I hear you say
Once more please try to stay, once more I may
Don't tie my hands, don't lock that door
Don't make me stand for this love anymore
Please let me leave, don't start making that scene
Don't crush me in between

No one I wanted more
I wanted to love, to be mine
Now it turns out I have to say goodbye
And I don't see why
I should have to watch you cry one more time
