

Global Nation

Todd Rundgren

Calling out to the planet
Calling out to the world
Calling out to the planet
Calling out...

I wanna wrap my arms around the world
And dance away
Away the isolation
And dance away
Away the separation
And dance away
Away the tribulation
And dance away
Our way to liberation
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the tribulation
And dance away
Our way to inspiration
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the indignation
And dance away
Our way in celebration
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the bad vibrations
And dance away
Our way to liberation
Global Nation

Calling out to the planet
Calling out to the world
[3x]
Calling out to the planet
Calling out...
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the separation
And dance away
Our way to inspiration
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the isolation
And dance away
Our way in celebration
Global Nation

I wanna wrap my arms around the world
Wrap my arms around the world
And dance
Away the tribulation
And dance away
A way to liberation
