Hideaway

Todd Rundgren

I've been watching how you dance
Watching how you smile
Watching how you carry yourself around in a crowd
And watching what you say
You've got something that's a secret to the average eye
You've been saving something nobody's seen until now
In a hideaway
I'm not trying to invade your privacy
There are things you have a right to hide
But it's oh so cold
Standing on the outside

Will you take me to your secret hideaway I won't tell nobody where I'm going Won't you tell me that we're leaving right away For the heart of your hideaway

Everybody's looking for a heaven on earth A slice of paradise where nobody gets hurt Someone to put the pieces back together again When your daydreams die Are you trying to get a message through the air to me?

Get me on your wavelength and tell me which way to go To your hideaway I can't stand another second in this tinker-toy world Give me your direction Don't make me wait anymore It seems so far away

You can trust me with your secret fantasy You will never know until you've tried But it's oh so cold Standing on the outside

I've been trying to get a message Through the air to you Get on my wavelength And I'll tell you which way to go To my hideaway

I will show you to my secret hideaway We will tell nobody where we're going
