

# I Can't Take It

Todd Rundgren

Well I saw you today and realized  
How I missed my peace of mind  
I feel your breath in my ear  
But late at night it's you I always think about  
That little girl inside of you I once knew  
I should have known better  
Still the smell of you was on my face  
But you were too busy  
To notice me last night

Now I can't take it alone  
I can't make it alone  
I can't take it, I can't make it alone  
Oh no, oo, oh no

Then I tell myself I'll put you down  
Don't wanna see your face around  
Don't call me up anymore  
When I hear your voice it's in my ear  
You're kissin' on the phone  
It makes it all come clear

Now I can't take it alone  
I can't make it alone  
I can't take it, I can't make it alone  
Oh no, oh, oh no

I try to tell myself, don't need you anymore  
Don't want you hangin' around my door  
Oh no

Now I can't take it alone  
I can't make it alone  
I can't take it alone  
I can't make it alone  
I can't take it, I can't make it alone  
Wrong or right  
I can't take it, I can't make it alone  
You know how I tried  
I can't take it, I can't make it alone  
I try to tell myself, don't need you anymore  
I can't take it, I can't make it alone  
Oh baby, my pretty baby  
I can't take it, I can't make it alone
