

# Just One Victory

Todd Rundgren

We've been waiting so long,  
We've been waiting so long,  
We've been waiting for the sun to rise and shine  
Shining still to give us the will

Can you hear me, the sound of my voice?  
I am here to tell you I have made my choice  
I've been listening to what's been going down  
There's just too much talk and gossip going 'round

You may think that I'm a fool, but I know the answer  
Words become a tool, anyone can use them  
Take the golden rule, as the best example  
Eyes that have seen will know what I mean

The time has come to take the bull by the horns  
(Hold that line, baby hold that line, get up boys and hit 'em one more time)  
We've been so downhearted, we've been so forlorn  
(We may be losing now but we can't stop trying, so hold that line, baby hold that line)  
We get weak and we want to give in  
(Hold that line, baby hold that line, get up boys and hit 'em one more time)  
But we still need each other if we want to win  
(We may be losing now but we can't stop trying, so hold that line, baby hold that line)

If you don't know what to do about a world of trouble  
You can pull it through if you need to and if  
You believe it's true, it will surely happen  
Shining still, to give us the will

We've been waiting so long,  
We've been waiting so long,  
We've been waiting for the sun to rise and shine  
Shining still to give us the will  
Bright as the day, to show us the way

Somehow, someday,  
We need just one victory and we're on our way  
Prayin' for it all day and fightin' for it all night  
Give us just one victory, it will be all right

We may feel about to fall but we go down fighting  
You will hear the call if you only listen  
Underneath it all we are here together  
Shining still to give us the will  
Bright as the day, to show us the way

Somehow, someday,  
(Hold that line, baby hold that line, get up boys and hit 'em one more time)  
We need just one victory and we're on our way  
(We may be losing now but we can't stop trying, so hold that line, baby hold that line)  
Prayin' for it all day and fightin' for it all night  
(Hold that line, baby hold that line, get up boys and hit 'em one more time)  
Give us just one victory, it will be all right  
(We may be losing now but we can't stop trying, so hold that line, baby hold

that line)
