

La La Means I Love You

Todd Rundgren

Many guys have come to you
With a line that wasn't true
And then you pass them by
Now you're in the center ring
And their lies don't mean a thing
Why won't you let me try
Now I don't have a diamond ring
I don't even know a song to sing
All I know is La La means
I love you

If I ever saw a girl
That I needed in this world
You are the one for me
Let me take you in my arms
And fill you with my charms
I'm sure that you will see
The things I am saying are true
And the way that I say them to you
Can't you hear me, La La means
I love you
