

# Lockjaw

Todd Rundgren

Look out children  
Mothers hide all the children who lie  
Lockjaw's coming with a rusty nail  
He's gonna nail your mouth open wide  
Look out children  
Boys and girls who do falsify  
From the black forest with a hammerhead  
He's looking for you with a rusty eye

In the black forest, lives an ogre named lockjaw. lockjaw doesn't like children  
Who tell lies. late at night he stalks the houses of the fibbers and the  
Falsifiers, and before they can cry out from their beds, he nails their jaws  
Open with a rusty nail, using his head for a hammer. you may escape him for  
a  
While and think you fooled him, but he'll get you in the end. he'll get ya!  
He'll get ya!!

Lockjaw's coming, Lockjaw's coming  
Lockjaw's coming, Lockjaw's coming  
Mothers hide all your lying children  
Hide your heads, all you lying children

Lockjaw's coming, Lockjaw's coming  
Lockjaw's coming, Lockjaw's coming  
Fathers hide all your lying children  
Hide your heads, all you lying children

Look out mothers  
Telling lies to a gullible child  
Lockjaw's coming with a rusty nail  
He's gonna nail your mouth open wide  
Look out fathers  
Teachers and leaders who do falsify  
From the black forest with a hammerhead  
He's looking for you with a rusty eye

Many people wonder "could such a terrible tale be true? who would make up such  
A terrible tale? " it seems such a cruel punishment for such a tiny little lie.  
Well, I've got to confess. it's a fib. I made it up myself. it's pretty funny,  
Don't you think? ha, ha ha! gag, gag, gag!!!

Lockjaw's coming!

Aaaaaaaaahhhhhhh.....!

Lockjaw's coming, Lockjaw's coming  
Lockjaw's coming, Lockjaw's coming  
Mothers hide all your lying children  
Hide your heads, all you lying children

Lockjaw's coming, Lockjaw's coming  
Lockjaw's coming, Lockjaw's coming  
Fathers hide all your lying children

Hide your heads, all you lying children
