

Never Neverland

Todd Rundgren

I have a place where dreams are born
And time is never planned
It's not on any chart
You must find it in your heart

Never never land
It may be miles beyond the moon
Or right there where you stand
Just keep an open mind

And then suddenly you'll find
Never never land
You'll have a treasure if you stay there
More precious far than gold

For once you have found your way there
You will never, never grow old
And that's my home where dreams are born
And time is never planned

Just think of pleasant things
And your heart will fly on wings, forever in
Never never land
