

## Parole

Todd Rundgren

Put down that phone and listen  
Baby how can you be so unkind  
If they catch me out of line only one more time  
I'll be down in the slammer 'fore you count to nine  
I didn't mean to step out without you  
And I'm sorry way down in my soul  
But it ain't easy being on  
Parole with you baby  
Before they throw me in the hole  
I got to get my dose of rock and roll  
And it ain't easy being on

Parole with you baby, let go  
Put down that gun and listen  
If you shoot it would be such a waste  
'cause any one of these days I just might change my ways  
And I won't be around to see the look on your face  
I know that it might make you happy  
To fill my body full of holes  
But you know it ain't easy being on  
Parole with you baby  
Put down the phone and put down the gun  
Please let me know you still believe in me, hon
