

# Prime Time

Todd Rundgren

Come fly with me  
What are you waiting for  
Come fly with me  
Don't waste a minute more

I'll give you my prime time  
I'm saving my prime time for you  
Give you my prime time  
I'm saving my prime time for you

I'm waiting here  
For no one else but you  
Come closer dear  
That's all you have to do

I'll give you my prime time  
I'm saving my prime time for you  
Give you my prime time  
I'm saving my prime time for you

Don't be shy  
I would never hurt you  
I have had my eye on you  
For such a long, long time

You know I'm always here  
If you should need me  
If you want a drink or two  
I'm the one you should see

Go anywhere  
Still you can call on me  
And I'll be there  
Just say the word and see

I'll give you my prime time  
I'm saving my prime time for you  
Give you my prime time  
I'm saving my prime time for you

I've waited here  
For no one else but you  
Come closer dear  
That's all you have to do

I'll give you my prime time  
I'm saving my prime time for you  
Give you my prime time  
I'm saving my prime time for you
