Rock & Roll Pussy

Todd Rundgren

Beat it, beat it, beat your guitar Smash it, smash it, 'til it sees stars Rip it, rip it, rip it to shreds Throw down your axe and then jump into bed

Get up, get up, get up and see Revolution on the tv Will you, will you, get your nails dirty Or are you only just a, only just a, only just a... . etc.

...only just a rock and roll pussy?
