

Saving Grace

Todd Rundgren

I think I'm gonna love it
I think I'm gonna love it
Because I know someday someone else will see it my way
And then I'll know I was not wrong

I know they won't believe it
I know they won't believe it
They think that I'm no good
But I will make myself understood

'Cause I believe it all along
I think I'm gonna love it
I know they won't believe it
When they finally see the saving grace in me

I know the time is gonna come
When I will mean something to someone
Until that day I'm hanging on
