

## Some Folks Is Even Whiter Than Me

Todd Rundgren

There goes Todd  
Yipes!  
Roll on 10, 11

There ain't a man alive today  
Who doesn't want to have the world in his hand  
And everything to go his way  
And abuse what he don't understand

Some people never can be satisfied  
Less they push somebody else around  
But I can't give no aid or take no side  
I just watch them drag each other down because

Some folks is even whiter than me  
Some folks is even blacker than me  
I got myself caught in the middle somewhere  
And that's just where I want to be

I'm talking 'bout the outside  
Talking 'bout your inside too  
I'm talking 'bout the outside  
Talking 'bout your inside, talkin' 'bout your inside too

I spent a lot of time alone  
And when I'm gone you won't remember my name  
But I ain't never been nobody's boss but my own  
And I hope that you can say the same

And I feel just like everyone around  
I like so sing my songs of change like a crooner  
But if we was all to live another mile uptown  
I think we'd like to get it changed a whole lot sooner

Some folks is even whiter than me  
Some folks is even blacker than me  
I got myself caught in the middle somewhere  
And I don't know where I want to be

I'm talking 'bout the outside  
Talking 'bout your inside too  
I'm talking 'bout your outside  
Talking 'bout your inside too
